

MOHAMED AMEER A

Frontend Developer | Data Analyst | Cloud Computing

+91-9342642958 | mohamedameer1296@gmail.com | Bengaluru, India 560016 | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Information Science and Engineering graduate with hands-on experience in Web Development (HTML5, CSS3, JavaScript, React.js, Node.js, Express.js, MongoDB), Power BI, Data Visualization, and Microsoft Office (Excel, Word, PowerPoint). Completed a Web Development internship building responsive, cross-browser web applications and version-controlled projects on GitHub. Built academic projects spanning e-commerce, food ordering, and interactive learning systems using the MERN stack and Python. Strong analytical and troubleshooting skills with a fast learning curve on new tools and technologies. Seeking an entry-level role as a Frontend Developer, Web Developer, Data Analyst, IT Support Specialist, or Cloud Computing Support Analyst to apply technical skills and contribute measurable value to a team.

CORE TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), Python, C++

Web Technologies: HTML5, CSS3, Responsive Web Design, Cross-Browser Compatibility

Frontend Development: React.js, JavaScript DOM Manipulation, UI/UX Basics

Backend Development: Node.js, Express.js, REST API Fundamentals

Database: MongoDB, Database Design Basics

Data Analytics & Visualization: Power BI, MS Excel (Pivot Tables, Formulas, Dashboards), Data Visualization

Microsoft Office Suite: MS Excel, MS Word, MS PowerPoint

Version Control & Tools: Git, GitHub, VS Code

IT Support Fundamentals: Troubleshooting, Ticketing/Documentation, Customer Support, Problem Solving

Soft Skills: Communication, Team Collaboration, Time Management, Adaptability, Analytical Thinking

CERTIFICATIONS

- Power BI Certification — Office Master (Data Visualization & Dashboard Design)
- MERN Stack Development — Course Completion Certificate (MongoDB, Express.js, React.js, Node.js)
- NPTEL — Data Visualization
- VTU — Skill Enhancement Program

INTERNSHIP EXPERIENCE

Motion Cut — Web Development Intern

Sep 25, 2023 – Oct 25, 2023

- Developed 4+ responsive, cross-browser web applications using HTML5 and CSS3, ensuring mobile-first, accessible layouts.
- Built and deployed Portfolio, E-commerce, Cooking Blog, and Image Gallery projects, applying semantic HTML and modern CSS layout techniques (Flexbox/Grid).
- Managed source code and version history for all project repositories using Git and GitHub, following consistent commit and branching practices.
- Collaborated in a project-based learning environment, improving front-end development speed and debugging/problem-solving skills within a 1-month sprint cycle.

ACADEMIC PROJECTS

Online Food Ordering System | C++

- Designed and developed a web-based food ordering system with menu browsing, order customization, secure payment simulation, and real-time order tracking, streamlining the end-to-end ordering workflow.

E-commerce Website | HTML5, CSS3

- Built a fully responsive e-commerce website with 15+ product listing pages, shopping cart functionality, and secure payment integration, optimizing layout performance across desktop and mobile breakpoints.

Text-to-Action Conversion for Learners | Python

- Developed an interactive learning tool using Python that converts written text into actionable task lists, improving learner engagement and task completion tracking through automated text parsing.

EDUCATION

Bachelor of Engineering — Information Science and Engineering New Horizon College of Engineering, Bengaluru CGPA: 7.40 / 10	<i>2021 – 2025</i>
Higher Secondary Education M.K.V.K School, Tenkasi	<i>2019 – 2021</i>
